AREA OF EXPERTISE

Michael began his career in 2004, focusing on sales and leasing of Industrial R&D, Flex properties in the Tri-Valley. Since that time, Michael has completed over 850 transactions.

Michael's strong work ethic, professionalism, attention to detail, and wide-ranging experience combined with his unmatched market knowledge and strong negotiating skills give his clients a strong advocate in any real estate transaction.

As an agent aligned with Colliers International, a full-service brokerage company, Michael has many resources available to him, including the latest market information and transaction analysis programs. Additionally, if the transaction requires the involvement of outside experts in legal matters, space planning, or tenant improvement construction, Colliers International makes those resources readily available.

Prior to Colliers International Michael was with Lee & Associates East Bay, and during that time, Michael was the top producing Associate from 2004 through 2008.
