

The Tenant Systems Group (TSG) is a 20 year formal tenant representation team within Colliers International that consults and represents Silicon Valley companies with all of their local and global real estate needs and strategies.

EXPERIENCE & KNOWLEDGE

With nearly 40 years of combined experience housed within Colliers International's unsurpassed market leadership, TSG provides the client with market intel that maximizes their position.

TSG approaches all assignments strategically, identifying the client's corporate directive and formulating a real estate plan based on that directive.

COMPREHENSIVE PROCESS

The team is functionality based, not opportunity or transaction driven. Clearly defined roles based on strategic skill sets and personalities have been firmly established.

TSG utilizes advanced tools throughout the transaction process ensuring accountability and impact at every level.

INDUSTRY REPUTATION & CREDIBILITY

As the Tenant Rep Group leaders at Colliers International Silicon Valley, the team's credibility and reputation extends deep into the Silicon Valley real estate industry, transferring leverage into the client's corner.

TSG is a relationship focused team which bases their platform on consistent quality, honesty and integrity. The many long standing, repeat clients and numerous client testimonials attest to this philosophy.
